

CRF

1 Work Mat
 Made from durable polyester, this Honda Wing / HRC-branded foam padded work mat provides the perfect surface for you to work on your off-road bike. A central anti-slip pad protects against scuff marks. Washable, and easy to store, the mat complies to environmental regulations. Dimensions: 178 x 130cm.

2 Honda Easy Pop-up Tent
 Made from UV resistant polyester, this flame-retardant and waterproof tent features an easily foldable aluminium frame. The tent is branded with Honda Wing and HRC motifs, and comes in a handy, Honda-branded carrying bag. Dimensions: 3 x 3 x 3.2m. Shown with optional Side Panels.

3 Honda Easy Pop-up Tent Side Panels
 Made from UV resistant polyester, this set of 3 flame-retardant and waterproof side panels are designed to create a sheltered working area for added protection against the elements. Branded with Honda motifs, they come in a handy Honda-branded carrying bag.

Please ask your local Dealer for advice on compatibility and a total fitted price, or call the Honda Contact Centre on 0845 200 8000.

Terms and Conditions apply. Please ask a salesperson for full details.

Honda Genuine Accessories. Tested rigorously to ensure flawless operation, seamless fit and 'real world' durability. Guaranteed to provide long-lasting value with a two year warranty. Honda designed and engineered, **for you and your Honda.**

*2 year warranty only available when purchased with a new Honda motorcycle, otherwise 12 months.

4 Magnesium ACG Cover
A lightweight Magnesium ACG Cover that is 190 grams lighter than the standard-equipment part. Coloured white with a red Honda logo to add a factory finish to your CRF250R.

5 Aluminium Clutch Cover
Give your CRF250R the factory finish with this white coated aluminium Clutch Cover featuring a red Honda logo. The three-dimensional, curved surface creates a compact feel and the tough coating makes it easier to remove scratches or wipe away stains.

6 Colour Head Cover
Add a bit of factory bike finish to your CRF250R with this replacement red coloured Head Cover that uses the same coating as the Type R and S2000 engines.

7 Aluminium Bottom Skid Plate
An aluminium skid plate featuring the HRC logo that bolts to the underside of the frame to protect the engine crankcase from stones, and helps to slide off cased jumps.
For the CRF450R & CRF250R only.

8 Radiator Braces
Featuring the HRC logo, these strong and lightweight duralumin braces provide additional protection to the radiators from side impacts and crush damage.
For the CRF450R only.

9 Triple Clamp Set
Replacement Triple Clamp that is of equivalent strength to the original but 80g lighter. Made with lightweight and tough duralumin, it features a black aluminite finish for increased durability and the HRC logo.
For the CRF450R & CRF250R only.

10 Rear Master Cylinder Guard
A strong, lightweight, duralumin guard featuring the HRC logo to protect the Rear Master Cylinder.
Not available for the CRF150R.

11 Oversized Handlebar Holder
The same design as those used on the HRC factory bikes, this Handlebar Holder allows oversized 28mm (1 1/8 inch) handlebars to fit the standard triple clamp. Featuring the HRC logo and finished in red aluminite for increased durability, the set includes chromium molybdenum steel bolts for increased rigidity.
Not available for the CRF150R.
